

PT. TETUKO ANUGERAH NUSANTARA

COMPANY PROFILE

About Us.

Introduction

PT. Tetuko Anugerah Nusantara is a professionally established logistics service provider, representing Indonesia in international trade and logistics activities. With more than a decade of industry experience, we offer integrated one-stop logistics services, including export and import operations (by sea and by air), customs management, inland transportation, and warehousing solutions. Our services are designed to ensure efficiency, compliance, and reliability across every stage of the supply chain.

Supported by a highly competent professional team and a strong global network of international agents, PT. Tetuko Anugerah Nusantara combines in-depth local knowledge with internationally recognized standards. We are committed to navigating the complexities of global trade and regulatory requirements with accuracy and professionalism. Through our dedication to operational excellence, we consistently deliver dependable, transparent, and efficient logistics solutions, tailored to meet the specific needs of our partners worldwide.

Our Main Services

1. Export & Import Services (Sea & Air Freight)

We provide integrated export and import solutions tailored to your specific logistics requirements and delivery timelines. Whether you require cost-effective ocean transport or time-sensitive air freight, we ensure your cargo moves seamlessly across global borders.

Our Freight Capabilities:

1. **Ocean Freight:** Reliable Full Container Load (FCL) and Less than Container Load (LCL) services connecting major global ports.
2. **Air Freight:** Fast and efficient solutions for high-priority, time-sensitive shipments.

Our Main Services

End-to-End Management: We take full responsibility for the entire shipment lifecycle, including:

- **Cargo Pickup & Handling:** Secure collection from your designated location.
- **Documentation & Compliance:** Precise preparation of all necessary shipping and legal documents.
- **Carrier Coordination:** Seamless communication with major shipping lines and airlines.
- **Customs & Delivery:** Handling of customs formalities and final mile delivery to ensure safe, on-time arrival.

2. Customs Management Services

Navigating the intricacies of international trade regulations requires a strategic approach. Our Customs Management service goes beyond standard documentation; we provide a holistic management system designed to ensure your cargo moves through borders with maximum efficiency and full legal compliance.

Our Main Services

3. Domestic Freight Forwarding & Trucking Services

We provide reliable and expansive domestic distribution solutions across the Indonesian archipelago. Our domestic services are designed to bridge the gap between islands and cities, ensuring your goods are delivered efficiently through an integrated multimodal network.

Our Domestic Capabilities:

- **Land Transportation (Trucking):** A diverse fleet ranging from small vans to heavy-duty trucks (CDD, Fuso, Wingbox, and Trailers) ready to handle point-to-point inland distribution.
- **Inter-Island Freight:** Seamless door-to-door or port-to-port delivery using sea freight (LCL/FCL) and air freight services specialized for the domestic market.
- **Project Cargo:** Specialized handling for oversized or heavy equipment that requires specific transport planning and equipment.
- **Real-Time Monitoring:** Focused on transparency, we provide updates on your shipment's journey to ensure peace of mind and on-time arrival.

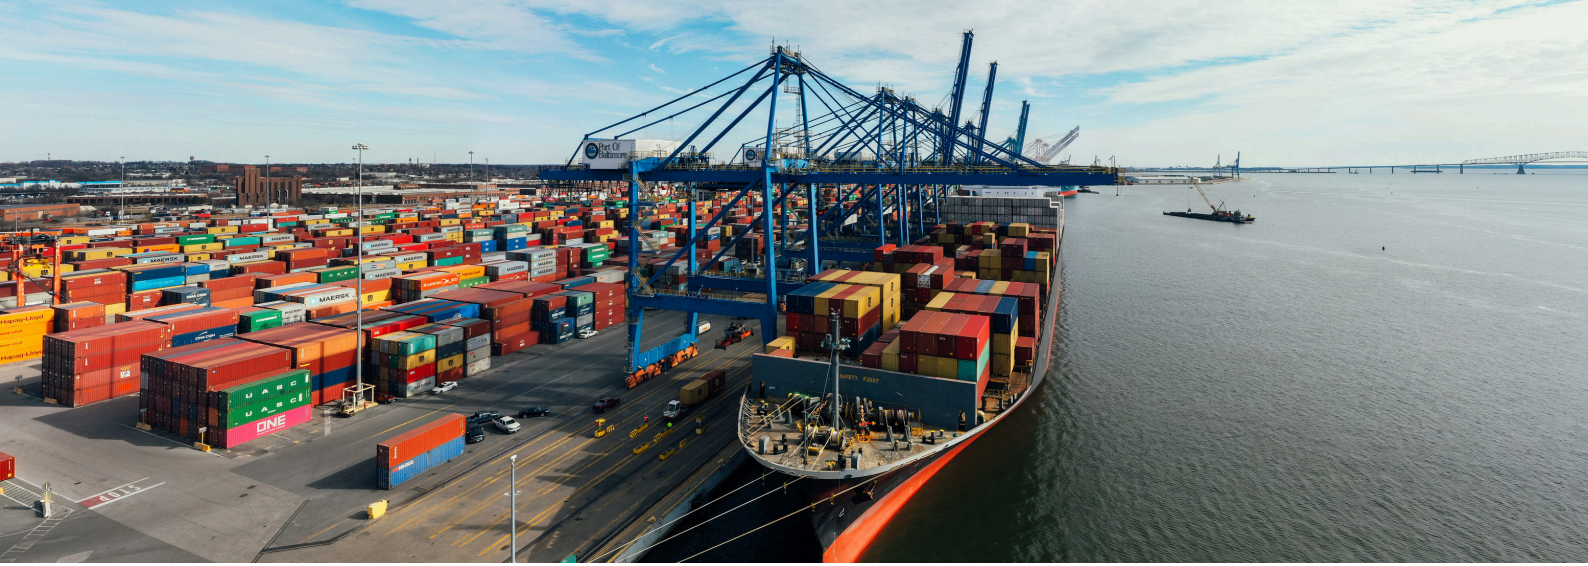

Our Main Services

4. Warehousing & Distribution Management

Our warehousing solutions are designed to be a strategic part of your supply chain, providing more than just storage. We offer secure, scalable, and well-managed facilities to ensure your inventory is preserved and ready for distribution whenever your business demands.

Our Warehouse Features:

- **Secure Storage Facilities:** Equipped with 24/7 security and professional handling to ensure the safety and integrity of your goods.
- **Inventory Management:** Systematic recording and monitoring of stock levels to provide accuracy and real-time visibility.
- **Stuffing & Stripping Services:** Professional loading and unloading management for containers to ensure efficient cargo handling.
- **Cross-Docking & Distribution:** Streamlined processes to move goods directly from receiving to shipping, reducing storage time and accelerating your time-to-market.

Vision & Mission
